agriVest 2023

ISRAEL'S PREMIER AGTECH CONFERENCE

November 6th 2023 | TLV

About AgriVest

The *AgriVest conference*, part of *Israel's AgriFood week*, brings together global founders, corporates, investors, leaders, and experts from the AgTech industry with the most cutting-edge innovations in the field. The conference will provide endless opportunities for knowledge sharing, networking, and collaborations with global partners, featuring cutting edge Israeli Agtech innovations and technologies.

Let's Partner

Partnering with AgriVest gives you a unique opportunity to connect your brand with ground-breaking innovations across the AgriFood value chain, engage with the Israeli AgTech ecosystem, explore potential collaborations, and leverage your deal flow. Since every partner has different goals and interests, we offer various partnership possibilities to maximize your value.
