

12<sup>th</sup> Annual Main Event

**EcoMotion Assembly** | **June 4<sup>th</sup>** | Innoviz Technologies HQ, Israel

This year, 2024, is about mobilizing the ecosystem and forging ahead in new ways. As the scope of mobility interfaces with many parallel sectors, the EcoMotion community continues to grow.

This year's Assembly will gather the ecosystem, engaging the variety of mobility stakeholders. Together

we will learn, share knowledge and developments, showcase and look ahead towards shaping future mobility technologies.

EcoMotion invites you to take an active part in this year's Assembly, supporting and strengthening the Israeli mobility ecosystem.
