weather conditions

water.io

Create an unlimited number of groups!

With our Leader board feature you can create group challenges, encourage healthy habits, and promote a healthier work environment for your employees.

The image displays the Water.io mobile application interface. At the center is a smartphone showing a leaderboard for a group challenge. The app's header includes a plus sign, the 'water.io' logo, and a 94% progress indicator. Below the header are icons for 'New Group', 'Water.io', 'Basic', and 'Omer&Noy'. The main content area shows tabs for 'Today', 'This week', and 'This month', with the 'Today' tab selected. The leaderboard is titled 'Ranking by %' and 'Top 100', with columns for '% goal' and 'oz'. The top 10 entries are as follows:

Rank	Name	% goal	oz
1	Daniel	127%	88
2	Raphael Cohen	125%	85
3	Eilan	120%	101
4	refael	119%	85
5	Ana	102%	68
6	Ma'ayah	102%	68
7	Tzefenat	98%	50
8	Amir	93%	92
9	Shai	91%	72
10	Amnon	85%	49

Below the top 10, there is a '100+' category with 'Jane' at 10% goal and 8 oz. The bottom navigation bar contains icons for home, calendar, trophy, water bottle, and settings. Surrounding the smartphone are six circular water drop icons, each containing a user's profile picture and name: Rachel, Jonathan, Ashley, Daniel, Anna, and Roy.
